Identify the level of management at which Ashutosh Goenka was working.</li><li>2. State two other functions being performed by Ashutosh Goenka.</li></ol>	3
22.	<p>The workers of Gargya Ltd. are unable to work on new computerised machines imported by the company to fulfill the increased demand. Therefore, the workers are seeking extra guidance from the supervisor and the supervisor is overburdened with frequent calls of the workers. Suggest how the supervisor, by increasing the skills and knowledge of workers, can make them handle their work independently. Also state any two benefits that the workers will derive by the decision of the supervisor.</p>	3
23.	<p>PQR Ltd. is engaged in manufacturing machine components. The target production is 200 units per day. The company had been successfully attaining this target until two months ago. Over the last two months, it has been observed that daily production varies between 150-170 units.</p> <ol style="list-style-type: none"><li>1. Identify the management function to rectify the above situation.</li><li>2. Briefly state the procedure to be followed so that the actual production may come up to the target production.</li></ol> <p style="text-align: center;">OR</p> <p style="text-align: center;">Describe briefly the relationship between controlling and planning.</p>	3
24.	<p>"Money market is essentially a market for short-term funds'. In the light of this statement state any three features of money market.</p> <p style="text-align: center;">OR</p> <p>Squib Ltd. is a large creditworthy company operating in the Kashmir Valley. It is an export- oriented unit, dealing in exclusive embroidered shawls. The floods in the Valley have created many problems for the company. Many craftsmen</p>	3

## **QB365 - Question Bank Software**

	<p>and workers have been dislocated and raw material has been destroyed. The firm is therefore, unable to get an uninterrupted supply of raw materials and the duration of the production cycle has also increased. To add to the problems of the organisation, the suppliers of raw materials who were earlier selling on credit are asking the company for advance payment or cash payment on delivery. The company is facing a liquidity crisis. The CEO of the company feels that taking a bank loan is the only option with the company to meet its short-term shortage of cash.</p> <p>As a finance manager of the company, name and explain the alternative to bank borrowings that the company can use to resolve the crisis.</p>	
25.	<p>Aakansha, Nikita and Parishma are the owners of a handicraft unit in the urban area of Dibrugarh in Assam, which is involved in the manufacturing and marketing of Sital Pati, traditional mats and Jappi (the traditional headgear). They decided to shift this manufacturing unit to a rural area with an objective of reducing the cost and providing job opportunities to the locals. They followed the functional structure in this organisation with a view to increasing managerial and operational efficiency. They assessed and analyzed the type and number of employees required; keeping in mind that they had to encourage the women and the people with special needs belonging to the rural area. State the next three steps that they will have to undertake for obtaining a satisfied workforce for their handicraft unit.</p>	4
26.	<p>Yash has set up a small scale manufacturing unit for making different varieties of low cost detergents. In order to market his product he has employed a team of five salesmen. Each salesman has been assigned specific areas in the city. He holds a meeting every month for determining the objectives to achieve during the coming month. A sales target is predetermined for each month which is mutually agreed by both Yash and his sales team. If the salesmen succeed in reaching this target a bonus is paid out to all of them along with the monthly salary.</p> <p>In context of the above case:</p> <ol style="list-style-type: none"><li>1. What style of leadership is adopted by Yash? Explain by quoting lines from the para.</li><li>2. ## QB365 - Question Bank Software

29.	"Financial planning tries to link the present with the future." Explain the importance of financial planning in the light of this statement.	4
30.	State any four responsibilities of a consumer while purchasing/consuming goods and services.	4
31.	Explain the following principles of general management. A) Unity of command B) Stability of personnel C) Division of work	6
32.	<p>The manager of 'Jai shree Retail Shop', Mr. Samir Gupta fixed the target that in the following year the sales will be boosted from 150 crore to R200 crore. Also he ensured that for the achievement of the target, finance and man-power will be easily arranged. Mr. Gupta was still planning for this target when he had to go on a long leave all of a sudden. Now the responsibility to do so fell on the shoulders of the Deputy Manager, Mr. Krishna Gopal. Now the further activity was taken over by him. The problem before him was how to achieve the sales target fixed by Mr. Gupta. For this, he thought of several options. For example, he thought that whether more attention should be given to advertisement; whether the prices of the products should be reduced; whether more attention should be paid to packing; whether the quality of goods should be improved; whether the customers should be given better After-Sale-Service and whether the credit facility for purchase should be given. After deliberating over all the options deeply, he arrived at the conclusion that the target could easily be achieved by concentrating more on advertisement. he did the same. He continuously kept a watch over this whether the desired results were obtained. At the end of the year the results obtained were favorable.</p> <p><b>Identify the different stages of planning process described in the above paragraph by quoting the relevant lines</b></p> <p style="text-align: center;"><b>OR</b></p> <p><b>Explain any four limitations of planning.</b></p>	6
33.	Rohan , aged 45 is working in an aviation company. He is the senior most employee in his division. He is even senior to the division manager, Akshay. Rohan is considered one of the most committed, capable and hard-working employees. As a result of his abilities and seniority, he generally received the work assignments of his choice. Although there was no formal designation of various „special’ projects assigned to Rohan, he handled them as a matter of routine. A problem developed when an able and intelligent person Natarajan, aged 33, was appointed by Akshay. Natarajan’s previous three years’ experience in the closely related work, made it possible for him to catch on to the routine work of his new job more rapidly than was customary for a new employee. On several occasions, Akshay noticed the tension developing between the	6

**QB365 - Question Bank Software**

	<p>two employees. However, he didn't want to get involved in their personal issues as long as the work was completed effectively and efficiently by them. One day, the tension between them reached the boiling point and Rohan complained to Akshay stating that his duties were being largely taken over by Natarajan. Akshay issued the order stating the clear allocation of the jobs and related duties between the two. He further clarified the working relationship between them by specifying who was to report to whom. This helped in reducing the workload, enhancing productivity and removing ambiguity.</p> <ol style="list-style-type: none"><li>1. Identify and state the step of organizing process which has not been carried out properly and contributed to this problem.</li><li>2. State the two steps of the organizing process which have been taken by Akshay to respond to the complaint of Rohan.</li></ol> <p>Also state two points of importance of organizing as reflected in the above case.</p>	
34.	<p>Explain the following functions of marketing in detail.</p> <ol style="list-style-type: none"><li>I) Product designing and development</li><li>II) Standardisation and Grading</li><li>III) Packaging and labelling</li></ol> <p>Or</p> <p>What are the factors affecting determination of the price of a product or service? Explain.</p>	6
